

Schedule B - GL Control to WTB Reconciliation

Response Context

Entity: Northstar Payments Services LLC (fictional demo entity) | Period: January 1, 2024 through January 31, 2025 | Currency: USD

Purpose: Reconcile operating income itemisation submitted in Schedule A to the synthetic general ledger control total.

Reconciliation Summary

WTB operating income itemisation total: \$225,839,175

GL operating income control total: \$225,839,175

Unexplained variance: \$0 - Reconciled.

Reviewer Conclusion

The submitted synthetic operating income population agrees to the synthetic general ledger control total. Presentation and excluded-item decisions are documented separately in Schedule C.
